

THE ALL INCLUSIVE HOME IMPROVEMENT COMPANY

from design to installation

Jennifer Pereira

I couldn't be happier with my pool and outdoor kitchen installation by Gappsi. The pool is not only stunning to look at but it is also highly functional with an auto pool cover, and intreated hot tub, heating system and LED lights. As for the outdoor kitchen, it has transformed our backyard into an entertainers dream. All of the work was top notch with high quality materials. Communication was easy and the project was completed within our budget. Overall, a superb job that has significantly increase the enjoyment of our backyard. Great job Gappsi!

Kerry Morales

I highly recommend Gappsi! He designed our entire backyard and we couldn't be happier with how it turned out. I love the automatic cover for our pool and our synthetic turf grass. Anytime we have anyone come over, they always compliment our marble stone patio and retaining wall. Gappsi was great to work with and would answer all of our questions so quickly - there was always an open line of communication throughout our backyard renovation. Looking forward to creating many memories in our new backyard thanks to Gappsi!

OUR MISSION

We have spent a third of a century building a brand that stands for customer service, high quality products, durable installations, functional award winning designs, and a long list of happy customers. We will continue to follow these same principles in the future that have made us successful and proud.

WE ARE A SMALL COMPANY WITH A BIG NAME

GIUSEPPE ABBRANCATI

Giuseppe Abbrancati has been working in the family construction business in Italy since the age of 7. At 16, he moved to Milan, Italy where he worked with a construction company that provided full home construction services until the age of 20. At that time, he then immigrated to Long Island, NY and by the age of 21, he had already started his own business under the name Gappsi in 1987.

Gappsi Inc. has grown over the past 34 years to provide full home improvement services. Today, we specialize in building custom gunite and vinyl swimming pools, landscaping, masonry, home remodeling, patio restoration/cleaning and sealing, sports and recreational courts, synthetic grass, and more! Each division is headed by talented and well experienced personnel who will help you make the right decisions by providing you with professional suggestions, functional design ideas, and high-quality finished products.

GUNITE & VINYL SWIMMING POOLS

TOSH KAZDAL

Tosh was born in Ankara, Turkey. As a teenager, he attended public schools and worked as a construction worker in his spare time to support himself while attending college. Tosh graduated with a bachelor's degree in International Economy, and at the age of 27 he moved to the United States.

He worked in a mechanic shop for two years while going to night school to learn the English language. He then worked with a pool company and quickly learned every aspect of the business - from pool construction to water chemistry. Today, Tosh has over 25 years of experience in the pool business.

GREG GAUGER

He was born in Grajewo, Poland. As a young boy, Greg attended public schools until the age of 14. In 1993, he moved to the United States and continued his education to graduate from West Babylon High School. He had many jobs while going to school, but by the time he finished high school, he had a control of his own construction business. He primarily dealt with private home remodeling work, both interior and exterior. In 2014, Greg joined Gappsi and is in charge of the home remodeling and masonry division. His duties include designing, estimating, and the on-site managing of crew leaders.

Greg is a dedicated husband and father of three children. He is well-experienced and knowledgeable and our customers compliment his services.

Gappsi creates beautiful and custom outdoor hardscapes, specializing in all phases of masonry including paving stone installations, patios, driveways, walkways, retaining walls, cultured stones, poolscapes, fireplaces, fire pits, outdoor kitchens and more.

JOE SORRENTI

Joe Sorrenti was born in Brooklyn, NY and moved to Long Island at a young age. Growing up, he attended Sachem schools, played soccer, and spent good time with his family. At the age of 15, he started working in the landscape industry at a garden center nursery in Holtsville where he installed plants all throughout Long Island. Joe then went on to working for a national based lawn care company, starting off as a territory manager, and then becoming a market manager who was responsible for all aspects of lawn care. Soon after in 1997, Joe started a lawn care fertilization company. In 2000, Joe owned a garden center in Ronkonkoma where in addition to supplying materials, Joe did design & installations as well.

Joe's experience in the landscaping and lawn care field has resulted in creations of beautifully designed landscaping projects over the last 35 years. He is a true expert in landscaping and has great knowledge of plants and flowers. Our customers compliment his workmanship and vision.

JEFF JIMENEZ

Jeff Jimenez was born in Manhattan, NY. He is the youngest of six children. As a child, he attended public school, played baseball, and spent a good amount of his free time working. In his adult career, he has only had two jobs, in which he built himself up the ranks of his companies. He joined Gappsi in 2011, and in a very short time, he mastered the processes of cleaning and sealing patios, and the construction/sales of sport courts.

Jeff is very dedicated, knowledgeable, professional among his interactions with customers, and well-respected from the employees that he supervises. He is a dedicated husband and father of two children.

Gappsi is a professional stone patio cleaning and sealing company. We offer our services to both residential and commercial clients. You can trust us to help you maintain your patio and keep it looking like new.

Occasionally, you must clean and seal your stone patio in order to protect it and extend its lifespan. Sealing a patio can help to protect it from stains and water damage. A sealer is great because it gives the stones in your patio a shiny look and it makes the color appear more vibrant. First, we will clean the patio by power washing it, and then once it is all clean we will apply a top layer to seal everything. We guarantee that a patio cleaning and sealing job will enhance the overall beauty of your home.
